

The nsoro effect

1 The Foster Care Situation

Children in Foster Care are more likely to:

- Be socially disconnected
- Have developmental delays
- Have substance abuse & psychological problems
- Have problems with attention & problem solving
- Perform poorly in School
- Experience poverty

nsoro provides programs...

College Bound:

One week residential program that provides:

- College Application guidance,
- Financial Resource Availability,
- Student Mentors
- College Life Experience

2

Scholarships to:

- Fill the gap between public assistance programs
- Provide financial aid assistance
- Cover the true costs of college (books, fees, living expenses)

3 To break the cycle... and change the outcome

Short Term:

- Motivation and resources to go to college
- Improved self-image
- Improved physical and mental health
- Educational Engagement

Longer Term:

- College Graduates
- Self-sufficient adults
- Workforce Development
- Civic Leadership
